Southbourne 2012 Celebrates

on 23rd and 24th June

Southbourne Celebrates in Style

A weekend of events around the village, saw hundreds of people visit the Flower Festival in St. John's Church. There were 16 arrangements, all vastly different but with a celebration theme and the church smelled wonderful. (They'd even cleaned the windows)

Some of us had never done anything like it before and given that I had asked all the arrangers personally if they would do something, I was amazed. I didn't know my friends were so talented. The church looked wonderful and the event far exceeded my expectations.

The Children's Art Exhibition in the Age Concern and history a exhibition in the Sea Scouts were also open all weekend and they both had a steady stream of visitors.

The Village Show on Saturday was a really enjoyable event and the children loved it. Vegetable animals are my favourite and miniature gardens. Brings back memories for us all. My thanks to Sarah Jones and her team. The PTA Cake stall outside the hall did very well, as did the WI Cake sale at St John's in the morning as they sold out in no time, so Southbourne obviously has a sweet tooth.

The Co-op sponsored the events programme and held a Fairtrade tasting outside their shop on Saturday and Moores who sponsored the Flower Festival Programme had a book sale.

The Travellers Joy went all out for family entertainment with a Hog Roast on Saturday and BBQ on Sunday, with Live Music both days and Bouncy Castle for the children.

The Flower Festival Concert on Friday was a light hearted event, organised by Mike Prosser, with readings, poems and songs reflecting the themes of the flower arrangements.

The Jubilee Concert on Saturday in the Leisure Centre, raised the roof. The Meridian Wind Band were joined by Bourne Community College Band and performed all the favourites. After the interval two soloists, Rachel Hogarth a Bourne CC pupil, and Rebecca Cooke, mezzo-soprano performed. The Bourne CC Choir and Southbourne Community Choir then joined forces to sing Rule Britannia lead by Rebecca Cooke, Land of Hope and Glory and Jerusalem. A really rousing event and one that will probably be repeated as we all enjoyed it so much. Our thanks to Don Lloyd for organising the event.

Tuppenny Barn Organics Open Afternoon, was another success. Lots of people walked or cycled and when I drove there, (sorry) there was a steady stream of pedestrians heading that way. A lovely sunny afternoon, and a very pleasant opportunity to stroll around the smallholding and have a cream tea. A lot came to see the progress of the Sustainable Education Centre build, which now, almost, has an entire roof. I first came across Tuppenny Barn 5 years ago when I accompanied the Infant School pupils on a visit and they made paper flower pots and planted peas. That visit convinced me that Tuppenny Barn was an asset that we should be proud of.

From an idea in July 2011, when I was disappointed that nothing much was done in Southbourne for the Royal Wedding, the Southbourne Celebrates took shape. I asked anyone I could for support and sponsorship. Some responses were negative but enough were positive to give me the motivation to keep going. Clive Jenkins at St John's was the catalyst. I don't go to any church, but I wanted to include all venues and the Flower Festival was the first event I had in mind, then others took shape as I asked people to do things. My sincere thanks to Clive for his support and trust that I would achieve my aim.

I did all the artwork for the programme and posters, and wrote away for all the prizes for the Village Raffle. Got the sponsorship for the flower arrangements etc. It has basically been an ongoing hobby for six months, but I am absolutely thrilled with the whole weekend of events. So my thanks to everyone that supported me. You've made an old lady very happy.

Ruth Heelan

PS

I would appreciate it, if next time you hear me come up with an idea like this that you throw a bucket of water over me, or in the words of Steve Redgrave, shoot me.

Appreciation

The organisers and flower arrangers would like to thank St John's Church for hosting and stewarding the event and our sponsors for making this festival possible.

The theme of our festival is

Celebration

The arrangements are not being judged. This is not a competition, but a friendly community event to encourage people to join in. Abilities vary from the professional to those without any experience of exhibition arrangements, but prepared to have a go.

We hope you enjoy our Flower Festival, our arrangements and our reasons to celebrate.

Party class

One of my favourite things about being in Southbourne is having easy access to the shoreline. I love walking from the house to the beach, which is where the picture was taken. It's such a lovely spot for a walk or a perfect place to put it and remember that. This is a close up of a truly amazing natural thing lying on the ground by a small beach. I am looking at the ground in the ground.
